| S. No. | Particular   | Number of Instruments/Equipments |
|--------|--|----------------------------------|
| 1.     | Spot light (Shadowless ceiling fitted)             | 1                                |
| 2.     | Needle holding Forceps (big- medium-small)         | Available                        |
| 3.     | Dressing drums of Assorted size                    | Available                        |
| 4.     | Drum stand   | Available                        |
| 5.     | IV Stand   | 2                                |
| 6.     | X-ray View Box (double)                            | 2                                |
| 7.     | Cheetles Forceps                                   | 4                                |
| 8.     | Mosquito forceps                                   | 4                                |
| 9.     | Scissors straight (Tailor)                         | 4                                |
| 10.    | Scissors curved of different sizes                 | 50                               |
| 11.    | Stich removal scissors                             | 20                               |
| 12.    | Dissection forceps                                 | 4                                |
| 13.    | Sinus Forceps                                      | 4                                |
| 14.    | Probes - Assorted size                             | 50                               |
| 15.    | Pointed scissors                                   | 4                                |
| 16.    | Abdominal Retractors                               | 5                                |
| 17.    | Tissue Forceps                                     | 5                                |
| 18.    | Bob Kock's Forceps                                 | 5                                |
| 19.    | Kocher's Forceps                                   | 5                                |
| 20.    | Urethral Dilators                                  | 5                                |
| 21.    | Rubber catheters of Assorted size                  | Available                        |
| 22.    | Metal Catheters                                    | 50                               |
| 23.    | Corrugated rubber drain                            | Available                        |
| 24.    | Suturing Needle (straight/curved) of Assorted size | Available                        |
| 25.    | Surgical Thread                                    | Available                        |
| 26.    | Sponge holding forceps                             | 4                                |
| 27.    | Right Angle cholecystectomy Forceps                | 4                                |
| 28.    | Stone holding forceps                              | 4                                |
| 29.    | Allies Forceps small                               | 4                                |
| 30.    | Allies Forceps Big                                 | 4                                |
| 31.    | Artery Forceps small                               | 4                                |
| 32.    | Artery Forceps big                                 | 4                                |
| 33.    | Artery Forceps Medium                              | 4                                |
| 34.    | Sigmoidoscope Rigid/flexible                       | 1                                |
| 35.    | Barron Pile's Gun                                  | 2                                |
| 36.    | Laryngoscope Pediatric/Adult                       | 1                                |
| 37.    | Boyles Apparatus                                   | 1                                |
| 38.    | Multiparameter Monitor                             | 1                                |
| 39.    | Ambu Bag   | 2                                |
| 40.    | Suction machine Electrical or Manual               | 1                                |
| 41.    | Emergency power back up facility                   | Available                        |
| 42.    | Emergency light                                    | 4                                |
| 43.    | Fire Extinguisher                                  | 2                                |
| 44.    | Skin grafting knife with handle                    | Available                        |
| 45.    | Surgical blades of different size                  | Available                        |

|     |  |           |
|-----|--|-----------|
| 46. | BP Handle of different size              | Available |
| 47. | Vertical BP Instrument                   | 1         |
| 48. | Self-Retaining Retractor                 | Available |
| 49. | Bone cutter                              | 2         |
| 50. | Giggly Saw                               | 2         |
| 51. | Scoop                                    | Available |
| 52. | Periosteum elevator                      | 2         |
| 53. | Maggler Forceps                          | Available |
| 54. | High Pressure Autoclave                  | 1         |
| 55. | Fumigator                                | 1         |
| 56. | Refrigerator                             | 1         |
| 57. | Nitrous Oxide Cylinder                   | 1         |
| 58. | Hydrolic Operation Table                 | 1         |
| 59. | Boyle's Appratus                         | 1         |
| 60. | Instrument Trolley                       | Available |
| 61. | Endotracheal Tube                        | Available |
| 62. | Proctoscope with or without illumination | 2         |
| 63. | Revolving Stool                          | Available |
| 64. | Gabrial Syringe                          | 1         |
| 65. | Strecher with trolley                    | 2         |
| 66. | Needle holder                            | Available |
| 67. | BP Apparatus                             | Available |
| 68. | Suction Machine                          | Available |
